

# Multi Trac Blue LED Optical Mice

Navigate virtually anywhere with the Verbatim Wireless Multi Trac Blue LED Optical Mouse. The comfort-grip shape provides ease of use while Blue LED technology allows users to point and click on more surfaces than other mice - from a glass table to the granite kitchen counter! The small nano receiver can be stored in the battery compartment, offering convenient storage and portability which makes this a great full-size go everywhere computer accessory.

## Features & Benefits

- **Blue LED** - Navigate your computer anywhere, on more surfaces with precision and control without the annoyance of slow or no response.
- **Multi-surface Usability** - Blue LED technology allows this mouse to be used on a glass\* desk surface, granite counter tops, hardwood floors, airport carpeting or other surfaces.

Blue LED High Definition Sensor

- **Contour Comfort Shape** - Comfortable enough for extended use with its ergo- friendly shape and easy grip surface.
- **Wireless** - 2.4GHz reliability and performance! Plug in the Nano receiver and forget about it! The small receiver plugs into your laptop's port and can stay; no need to plug and unplug bulky receiver or deal with cords.
- **Low Power** - Efficient low power consumption requires only one AA battery.

\*Blue LED technology may not work on some glass or mirrored surfaces.
