

Charge'n'Go Power Bank with 2 Cables & Stand

Stay powered wherever life takes you.

Stay powered wherever life takes you with the Charge'n'Go Power Bank with 2 Cables and Display – the ultimate high-capacity mobile charging companion. Whether you're commuting, working remotely, or exploring the outdoors, the sleek and compact design ensures you're always charged and connected. With an intuitive digital display/LED indicator to show battery levels at a glance, never guess how much power you have left again.

The Charge'n'Go includes two built-in USB-C cables – supporting up to 22.5W and 12W output – alongside MagSafe-compatible magnetic wireless charging up to 15W for iPhones and Qi-enabled Android devices. Charge up to four devices simultaneously (wired + wireless) and enjoy seamless bi-directional fast charging, whether you're powering up your phone or recharging the power bank itself. Robust safety protections keep you covered with over-current, short-circuit and over-temperature safeguards for peace of mind during every charge. Compact, powerful and ready for anything, the Charge'n'Go is your go-to solution for reliable on-the-go energy.
